Catalogue 22 March 2003

Characters - 1:64 pewter people

The NZ Finescale on-line catalogue at www.nzfinescale.inet.net.nz is full of illustrations and other links.

Full 1:64 kits

You will notice that this list contains a number of esoteric items of relatively narrow appeal. If such items are listed as 'out of stock' or 'special order', restocking will depend on customer demand. Should you require one of these items, please enquire.

1:64 detail etches

1:64 detail castings

Product Codes: These are systematic and follow the following scheme: Product type/scale/number.

Finescale Foliage

B = brass casting S = 1:64, or 3/16":1'

E = etching 9 = 1:34 or 9mm:1'

F = figure

K = kit

9mm scale Signals

Postage and payment details

So: ES021 is an S scale etched product.

168 individual fronds arranged in strips for ease of use. *In Stock*
- ES034** Flax bushes \$20.00
Two large flax bushes. *In Stock*
- ES035** Toi Toi \$20.00
Two large bushes. *In Stock*

Full Kits – 1:64

- KS001** Single Arm McKenzie & Holland Semaphore Signal \$29.95
Features finely etched details and brass castings. Colour matched spectacle lenses. *In stock*
- KS002** Iron 'L' Wagon to diagram 2442 (L6) \$45.00
Features sprung suspension, full underframe detail and brakes, internal detail. *In stock*
- KS003** Double Arm McKenzie & Holland Semaphore \$62.50
Comprises 2x KS001 plus an extra etch containing the additional parts required. *In stock*
- KS004** 86" wheelbase 4 wheel underframe to diagram 305. \$35.00
Suitable for many early wagon types. *In stock*
- KS005** Wooden 4 Plank Highsider \$45.00
Comprises KS004 plus injection moulded plastic body parts. *In stock*
- KS006** Wooden 5 Plank Highsider \$45.00
Comprises KS004 plus injection moulded plastic body parts. *In stock*
- KS007** Steel Hopper wagon to diagram 1974 (Q3) \$49.50
Features sprung suspension, full underframe detail and brakes, internal detail. *In stock*

Detail Etches – 1:64

- ES001** Passenger Car Verandah Railings and Gates \$14.95
Includes brake handwheel gangways and assembly jigs. Gates can be made hinged. *In stock*
- ES003** Fishplates for track (96 pcs) \$5.00
Give your track a lift! Cosmetic fishplates for code 80/83/100 rail. *In stock*
- ES004** Ladders \$6.00
Five ladders (scale 15' long) with assembly jig. Requires 0.3mm wire for rungs. *In stock*
- ES006** Wirework for Birdcage Cars \$14.95
Two lengths of wirework. Continuous lengths enable all prototypes to be modelled. *In stock*
- ES008** 4 Wheel wagon axleguards/suspension system (for 1 wagon) \$5.00
'Leaf' spring system makes stock stay on the track, reduces noise and improves the 'look'. *In stock*
- ES009** 4 Wheel wagon brake gear \$5.00
As used in the 'Iron L' kit KS002, and designed for use with the shoes of springing kits ES008 and ES018. Contains levers, mounts, safety loops, stretchers, rods etc. *In stock*
- ES011** McKenzie & Holland Bracket semaphore parts \$10.00
Brackets, cranks etc. to enable KS001/003 to be converted to brackets and gantries. *In stock*
- ES013** Targets and Shunting Signals \$7.50
One each of L & R shunting and trap signals. Needs a BS011 per signal to complete. *In stock*

ES014 '4 Pane' Signal Box Window Set complete with louvres \$19.95
Enough windows to build all but the largest of NZR signal boxes with windows of this type. *In stock*

ES017 Suburban passenger car windows (24) \$14.95
Nice window frames featuring a fold over toplight with integral glazing slot for a great look. *In stock*

ES018 4 wheel wagon suspension system (for 1 wagon) \$5.00
Similar to ES008 but designed to operate behind existing kit axleguards. *In stock*

ES021 Point Rodding A frames \$6.00
60 A frames that can be assembled in gangs. *In stock*

ES024 Steam Locomotive Cab Fittings \$14.95
Steam loco cab goodies, including weather shields, hand grabs gauges etc. – Lovely!
Out of stock

ES025 Turnout Bedplates for code 70 rail \$14.95
Makes one #9 or #7.5 Turnout. *In stock*

ES026 Bedplates (225) for code 70 rail \$10.00
Plain track, 4 hole bedplates. *In stock*

ES027 Pulleys and Cranks \$14.95
Detail parts to enliven the permanent way. *In stock*

ES028 Locomotive Hornblocks \$3.95
Fits North Yard square bearings, simplifying chassis construction. *In stock*

ES036 Sidechain Hooks and eyes (32 each) \$5.00
Uniform, good-looking hooks etched in 0.45mm nickel silver. *In stock*

Lost wax castings – 1:64

BS001 Loco superheater cover (1) \$5.95
Originally for my WE project, Suits other NZR types. *In Stock*

BS003 W^E/B Loco Wheel \$5.00
Unmachined casting. *Special order*

BS004 W Loco wheel \$5.00
Unmachined casting. Correct 12 Spoke pattern. *Special order*

BS005 Semaphore Signal parts \$5.95
Kerosene lamp, finial and arm back plate. *In Stock*

BS006 4 NZR Couplers with 2 Hooks \$5.95
Pre-drilled, accurate hooks, conforms to proposed standards. *In Stock*

BS007 Wagon Underframe detail parts \$5.95
6" Westinghouse set, brake ratchet and handbrake pivot. *In Stock*

BS008 4 NZR Couplers with Hooks (Fits Kadee draftbox) \$5.95
Pre-drilled, accurate hooks, meets proposed standards. Quick interchange with Kadees. *In Stock*

BS009 Coil springs and axleboxes for wagons \$5.95
Designed for use in conjunction with ES008 for working suspension. *In Stock*

BS010 Westinghouse air pump \$5.95
Type 'F' 8" x 8 1/2" Pump usual for smaller locos than class Ab. *In Stock*

BS011 Ground signal bases and lamp \$5.95
One each of Trap base, Shunting disc base and lamp. Needs ES013 to complete. *In Stock*

BS012 Handrail stanchion bases (5) for signals \$4.95
Needed for bracket and more complex signal arrangements. *In Stock*

BS013 Air brake hoses and cocks for cars & wagons (4) \$5.95
Close to true scale, delicate castings fit within the headstock dimensions - as they should. *In Stock*

BS014 Standard loco chimney (A, Ab etc.) \$5.95
A nice casting from a pattern by Peter Ross. *In Stock*

Full Kits – 9mm scale
